

# TAKE COLLABORATION FURTHER

**OPTIMISE YOUR ORGANISATION'S PRODUCTIVITY, WORKFLOW AND COLLABORATION BY INTEGRATING MICROSOFT TEAMS WITH GOTO.**

Communications & collaboration are critical to today's modern workforce. The GoTo suite is made up of fast, easy and reliable products designed with everything your organisation needs to collaborate & win together. Microsoft Teams is a chat-based workspace that enables teams to communicate & collaborate in a single and secure location. By combining Microsoft Team's email, instant messaging and persistent chat with GoTo's exceptional meetings, calls, and rooms, you can take collaboration one step further.

## **FROM INTERNAL COLLABORATION TO EXTERNAL ENGAGEMENT, GOTO ENHANCES MICROSOFT TEAMS**

The GoTo suite of products have features that are unavailable with Microsoft Teams.

### **MEETINGS**

- Meetings with up to 250 participants & 25 simultaneous webcams
- Commuter Mode – Get the best meeting experience while on-the-go
- Smart Meeting Assistant – Focus on your meeting with automatically transcribed recorded meetings that you can share with attendees.

### **VOICE**

- Visual Dial Plan Editor – Set up your call flows quickly and easily with the only tool in the industry that lets you map out your call flows visually using a drag-and-drop canvas.
- Communicate Your Way – Whatever your industry, your phone system ties in closely to your other business-critical systems from paging/intercom devices, to fax, and CRM systems of record.
- Support Center – Turn your business phone system into your greatest asset to increase customer satisfaction with tools for agents & supervisors to address needs in real time

### **ROOMS**

- Hardware components are packed all in one box and can be setup in a matter of minutes. Software comes pre-configured & undergoes automatic updates
- Rooms integrate with the GoTo Admin Center and Dolby Conferencing Console, giving you everything you need to manage 1 to 1000+ rooms, with no added charges

### **WEBINAR**

- Polls & Q&A- Launch polls and let your attendees ask questions during webinars
- Source Tracking – Discover which marketing channels drive webinar sign-ups

## **RELIABLE**

GoTo hosts more than 18 million users worldwide each month and over 80 million meetings per year, all with 99.9% uptime, clear audio, and fast join times.

## **EFFICIENT**

GoTo requires 20% less bandwidth than MS Teams meaning less strain on your organisation's network and a reduction of tickets to your organisation's IT department.

## **CUSTOMER SUPPORT**

Get faster resolve times and human responses with GoTo's highly-skilled and in-house staff. There's no need to upgrade to a premium plan to get access to our customer support.

## **COST EFFECTIVE**

GoTo's pricing for meetings, voice, rooms and webinars are simple and all-inclusive with no hidden costs.
